46 Immigrant Ancestors in 22 Family Lines  
of

Florence Clark Beal

Past Regent of Captain Molly Pitcher Chapter  
District of Columbia

Daughters of the American Revolution

The data in this pamphlet have been put together in the hope that they will assist others in finding "lost" ancestors. Various sources have been used and carefully scanned to provide as nearly as possible accurate dates of birth, death, and marriage.

A summary of the geographical location of the various families in early pages and a fairly complete index appears at the end of the volume.
